PROFILE

A result-driven graphic designer with extensive experience in complete design process from onset to completion.

My passion is designing with a purpose—creating a functional design without sacrificing aesthetics by approaching each design with practical mindset.

EXPERIENCE

Graphic Designer | Midway International — 2020-Present

Provide corporate branding efforts and design marketing materials for brand recognition. Package designs, web banners, and advertisements to ensure alignment with latest beauty trends.

Graphic Designer | Design Lab & Gunn Jerkens — 2018-2020

Worked until company moved out of state: Designed branding and graphic design for various clients ranging from pet products to real-estates.

Digital Artist | Innocean USA — 2019

Covering for employee on paternity leave: Designed high volume of marketing materials for Hyundai Motors, adhering to brand guidelines and meeting rigorous deadlines with accuracy and efficiency.

Graphic Designer / Art Director | Think Pig Design — 2011-2019

Design for various clients. Set artistic direction and supervise the creation of branding and marketing materials. Managed, hired, trained staff.

Digital Artist | Living Pictures — 2005-2011

Created digital assets for various Disney attractions, feature films and trailers.
